## **ARTICLE III Carroll Creek Community Association, Inc.**

Section 1. Organization. There has been organized in connection with the development of Carroll Creek, and its various sections and other subdivisions, an incorporated not-for-profit association known as Carroll Creek Community Association, Inc. (the "Association").

Section 2. Membership and Voting Rights. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 3. Classes of Membership. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all Owners, together with all other lot owners in the Subdivision, exclusive of the Developer. Owners shall be entitled to one (1) vote for each Lot owned.

Class B. The Class B member shall be the Developer, and shall be entitled to three (3) votes for each Lot owned, in the Subdivision. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) when title to all lots in all sections of the Subdivision has been conveyed, or
- (b) on December 31, 2009.

Section 4. Membership Transfer. Membership in the Association will transfer from the Developer or its successor in interest to the Owner upon delivery of the Deed to Owner's Lot.

Section 5. Continuing Memberships. The Owner of any Lot shall continue to be a member of the Association so long as such Owner continues to be the Owner of a Lot for the purpose herein mentioned. Membership shall pass with the transfer of title to the Lot.

Section 6. Transfer of Membership Rights and Privileges in the Association. Each Owner, and in lieu thereof, (and with the written consent of such Owner to the Association) each lessee of a Lot shall be a member of the Association and have the right to the Owner's vote and privileges. Membership, where assigned to a lessee, will pass with the lease, except if the Owner withdraws his consent in writing to the Association. The Owner may withdraw his membership assignment to any lessee in his discretion by issuing a sixty (60) day notice in writing to the Association. No assignment of membership shall relieve an owner of the Lot from the obligation to pay any assessment authorized by these Restrictions.

Section 7. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments; (2) club assessment; (3) special assessments; and (4) Tax Recoupment Assessment. Such assessments shall be established and collected as hereinafter provided. The annual, special and Tax Recoupment assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot.

at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 8. Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the Owners in all subdivisions of Carroll Creek, including, but not limited to, the improvement and maintenance of the Common Area, maintenance of street lighting, maintenance of the sprinkling system situated on the Common Area, storm water detention basins, outlet pipes and water level control structures, and removal of snow and ice from the streets.

Section 9. Maximum Annual Assessment. Until January 1 of the year immediately following the recording of these First Restated Covenants, the maximum annual assessment shall be One Hundred Forty-Five Dollars (\$145.00) per Lot.

(a) From and after January 1 of the year immediately following the recording of these First Restated Covenants, the maximum annual assessment may not be increased each year more than ten percent (10%) above the maximum annual assessment for the prior year, without the vote or written assent of fifty-one percent (51%) of the Members of the Association in attendance at a meeting called for that purpose.

(b) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum without the vote or written assent of fifty-one percent (51%) of the Members of the Association in attendance at a meeting called for that purpose.

Section 10. Club Assessment. The Developer has constructed a swimming pool and bath house within Carroll Creek, which facilities are owned and operated by the Association, and which are available for use by members of the Association. A Club Operating Fund has been established and an assessment shall be charged with respect to the operation and maintenance of said facilities ("Club Assessment"), which shall be a part of the annual assessment set forth in Section 9 above.

The portion of the annual assessment attributable to the Club Operating Fund shall be established as follows:

(a) Commencing with the year following recording of these First Restated Covenants, the Board of Directors of the Association shall establish a budget for the Club Operating Fund for such calendar year and shall determine therefrom the Annual Club Assessment for each Lot required to meet such budget. Such budget and Club Assessment for each calendar year shall be established by the Board of Directors at a meeting to be held not later than December 31st of each proceeding calendar year. The Board of Directors shall mail to all Association members a copy of the proposed budget and notice of the ensuing year's proposed Club Assessment at least thirty (30) days prior to such meeting.

(b) The Club Operating Fund shall be used exclusively for the purpose of operating and maintaining said swimming pool and bath house facility as well as all recreational facilities therein or used in connection therewith, including but not limited to, debt service, repair, maintenance, utilities, equipment, supervision, taxes, insurance and other items necessary or desirable in the opinion of the Board of Directors of the Association.

Section 11. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfalls; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of seventy-five percent (75%) of each class of members of the Association.

Section 12. Tax Recoupment Assessments. In addition to all other assessments provided for in this Article, the Association may levy in any assessment year, an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax, and/or penalty and/or interest on a tax imposed upon, assumed by or assessed against the Association or its properties, and arising out of or in any way related to the acceptance of title to, the ownership of and/or operation or maintenance of any plant or equipment (including utility lines, lift stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste, and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 13. Notice and Quorum for Any Action Authorized Under Section 9 and 11. Any action authorized under Sections 9 and 11 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite percentage of Members, Members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 14. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or yearly basis, as the Board of Directors may determine from time to time.

Section 15. Date of Commencement of Annual Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the date of the original recording of these Restated Restrictions with the Recorder of Allen County. The first annual assessment shall be adjusted according to the number of months

remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 16. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment (Annual, Special, or Tax Recoupment) not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

Section 17. Subordination of the Lien to Mortgages. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

#### **ARTICLE IV Architectural Control**

Section 1. No building, improvement, construction, excavation, fence, wall, swimming pool or spa, swing set, play equipment, statues, lawn ornaments or other non-living landscaping ornamentation device, or other structure shall be commenced, erected, altered or maintained upon any Lot, nor shall any exterior addition to or change or alteration of any Dwelling Unit be made until two (2) sets of plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by the Architectural Control Committee as to (1) harmony of external design and location in relation to surrounding structures and topography, and (2) the standards and guidelines established by the Architectural Control Committee from time to time. All approvals shall be requested by submission to the Architectural Control Committee of plans and specifications in duplicate, showing the following:

- (a) The Dwelling Unit, and other improvements, access drives, and other improved areas, and the locations thereof on the site;
- (b) All mail boxes and exterior ornamentation;

- (c) Plans for all floors and elevations, including projections and wing walls;

Section 2. Neither the Developer, the Architectural Control Committee, the Association, nor any member, officer or director thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee, the Association, or the Developer to recover any damages or to require the Committee or the Developer to take or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the Developer's office for review by the Architectural Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

Section 3. The Architectural Control Committee shall consist of three (3) members. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. In the event said Board, or the Architectural Control Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed satisfied.

Section 4. The Developer shall retain the exclusive authority and responsibility to review plans for construction of all primary residences in the Subdivision, notwithstanding the delegation of authority for all other improvements or structures in the Subdivision.

## ARTICLE V General Provisions

Section 1. Residential Purposes. No Lot shall be used except for residential purposes. Section 8. Surface Drainage. Surface Drainage Easements and Common Areas used for drainage purposes as shown on the plat are intended for either periodic or occasional use as conductors for the flow of surface water runoff to a suitable outlet, and the land surface shall be constructed and maintained so as to achieve this intention. Such easement shall be maintained in an unobstructed condition and the County Surveyor or a proper public authority having jurisdiction over storm drainage shall have the right to determine if any obstruction exists and to repair and maintain, or to require such repair and maintenance as shall be reasonably necessary to keep the conductors unobstructed.

Section 9. Maintenance of Lots and Dwelling Units. No Lot and no Dwelling Unit shall be permitted to become overgrown, unsightly or to fall into disrepair. All Dwelling Units shall at all times be kept in good condition and repair and adequately painted or otherwise finished in accordance with specifications established by the Architectural Control Committee. Each Owner, for himself/herself and his/her successors and assigns, hereby grants to the Association, jointly and severally, the right to make any necessary alterations, repairs or maintenance approved by the Architectural Control Committee to carry out the intent of this provision and they further agree to reimburse the Association for any expenses actually incurred in carrying out the foregoing. The Association may assess and collect such reimbursement in the same manner as it assesses and collects yearly assessments pursuant to Article V, above, and such amounts shall become a lien upon the Lot and be subject to the same collection rights and remedies granted to the Association in Article V.

Section 20. Use of Public Easements. In addition to the utility easements herein designated, easements in the streets, as shown on this Plat, are hereby reserved and granted to the Developer, the Association and any public or quasi-public utility company engaged in supplying one or more of the utility services to the Subdivision, and their respective successors and assigns, to install, lay, erect, construct, renew, operate, repair, replace, maintain and remove all and every type of electrical line, telephone cable, cable television, gas main, water main and sewer main (sanitary and/or storm) with all necessary appliances, subject, nevertheless, to all reasonable requirements of any governmental body having jurisdiction thereof as to maintenance and repair of said streets.

Section 21. Sanitary Sewer Restrictions. No rain and storm water runoff or such things as roof water, street pavement and surface water, caused by natural precipitation, shall at any time be discharged into or permitted to flow into the Sanitary Sewage System, which shall be a separate sewer system from the Storm Water and Surface Water Runoff Sewer System. No sanitary sewage shall at any time be discharged or permitted to flow into the above-mentioned Storm Water and Surface Water Runoff Sewer System.

Section 22. Improvements. Before any Dwelling Unit on any Lot in this Subdivision shall be used and occupied as a dwelling or otherwise, the Developer or any subsequent Owner of such Lot shall install improvements serving such Lot as provided in the plans and specifications for such improvements filed with the appropriate governmental authorities, together with any amendments or additions thereto which said governmental authorities may authorize or require. This covenant shall run with the land and be enforceable by any governmental authority having jurisdiction over the Subdivision, by the Association, or by any aggrieved Lot Owner in this Subdivision.

Section 23. Permits and Certificates. Before any Dwelling Unit located on any Lot may be used or occupied, such user or occupier shall first obtain from the Allen County Zoning Administrator an Improvement Location Permit and a Certificate of Occupancy as required by the Allen County Zoning Ordinance.

Section 24. Pools and Hot Tubs. No above ground pool, spa or hot tub, regardless of size, shall be placed or maintained on any Lot. No in ground swimming pool or hot tub or spa may be placed or maintained on any Lot without the prior written approval of the Architectural Control Committee in accordance with Article V, herein, and such in ground swimming pool, hot tub or spa must be in compliance with the Allen County Zoning Ordinance.

Section 25. Swing Sets and Play Equipment. No swing sets or play equipment will be permitted on any Lot without prior written approval from the Architectural Control Committee.

Section 26. Fencing. All proposed fencing must be submitted to and approved by the Architectural Control Committee in writing in accordance with Article III, herein, and such proposed fencing must be in compliance with the Allen County Zoning Ordinance.

The visual barrier screening and the area to be used must be approved by the Architectural Control Committee. No incinerators or outside incinerators shall be kept or allowed on any Lot.

Section 28. Free Standing Poles. No clotheslines or clothes poles, or any other free standing, semi-permanent or permanent poles, rigs, or devices, regardless of purpose, shall be constructed, erected, or located or used on a Lot.

No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

Section 30. Single Owner Contiguous Lots. Whenever two (2) or more contiguous Lots shall be owned by the same person, and such Owner shall desire to use two (2) or more of said Lots as a site for a single Dwelling Unit, said Owner shall apply in writing to the Architectural Control Committee or Board of Directors of the Association for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single Dwelling Unit shall be treated as a single Lot for the purpose of applying these Restrictions to said Lots, so long as the Lots remain improved with one single Dwelling Unit. Notwithstanding the foregoing, each of the Lots constituting the site for such single Dwelling Unit shall remain as individual Lots for purposes of all assessments permitted by the terms of these Restrictions. As such, the Owner will be assessed for each Lot used as a site for a single Dwelling Unit.

Section 31. Enforceability. The Association, any Owner, and the Developer shall each have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association or the Developer to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter, and shall not operate to deprive an Owner from enforcing said covenant or restriction.

Section 32. Right of Entry. The Developer, the Architectural Control Committee, and the Association, acting through their respective representatives, shall have the right, during reasonable hours, to enter upon and inspect the Lot and Dwelling Unit, whether prior to, during, or after the completion of, any construction, for purpose of determining whether or not the provisions of these restrictions are being complied with and exercising all rights and powers conferred upon the Developer, the Architectural Control Committee, and the Association with respect to the enforcement or correction or remedy of any failure of the Owner to observe these restrictions, and the Developer, the Architectural Control Committee, and the Association and such representatives shall not be deemed to have committed a trespass as a result thereof. Notwithstanding the foregoing, an occupied Dwelling Unit may not be entered hereunder unless written notice of such proposed entry shall have been given to the Owner at least five (5) days prior to such entry.

Section 33. Partial Invalidation. Invalidation of any one of these Restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 34. Covenants, Restrictions and Extensions. The First Restated Restrictions herein contained shall run with the land, and be effective for a term of twenty (20) years from the date these Restrictions are recorded, after which time they shall automatically be extended for successive periods of ten (10) years; provided these Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners.

Section 35. Subdivision of Lots. No Lot or combination of Lots may be further subdivided unless seventy-five percent (75%) of the Lot Owners have approved by signing an instrument of approval and until said approval has been obtained from the Allen County Plan Commission or Zoning Administrator, as the case may be.

Section 36. Dwelling Unit Exterior. All windows, porches, balconies and exteriors of all Dwelling Units shall at all times be maintained in a neat and orderly manner. No clotheslines or other outside drying or airing facilities shall be permitted.

Section 37. Fires. No outdoor fires for the purpose of burning leaves, grass or other forms of trash shall be permitted to burn upon any street roadway or Lot in this Subdivision. No outside incinerators shall be kept or allowed on any Lot.

Section 38. Cost and Attorney's Fees. In the event the Association or Developer is successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, condition, reservation, lien, assessment or charge now or subsequently imposed by the provisions of these Covenants, they shall be entitled to recover from the party against whom the proceeding was brought, the reasonable attorney fees and related costs and expenses incurred in such proceeding.

Section 39. Flood Protection Grade. In order to minimize potential damages from surface water, flood protection grades (FPG) are established as set forth on the attached plat as follows:

<u>LOT #</u>	<u>MINIMUM FLOOD PROTECTION GRADES</u>
Lots 273 - 282	844.8
Lots 294 - 297	844.8

All Dwelling Units to be constructed on the Lots designated herein shall be constructed at or above the minimum flood protection grades; such grades shall be the minimum elevation of a first floor or the minimum sill elevation of any opening below the first floor as shown on the recorded plat of this Subdivision.

Section 40. Sidewalks. Plans and specifications for this subdivision on file with the Allen County Plan Commission require the installation of concrete sidewalks adjacent to all public streets located within the Subdivision as shown on the Plat.

Installation of said sidewalks shall be the obligation of the Owner of any such Lot, exclusive of the Developer, and shall be completed in accordance with said plans and specifications and prior to the issuance of a Certificate of Occupancy for any such Lot and the cost of said installation shall be a lien against any such Lot enforceable by the Allen County Plan Commission or its successor agency. Should such Certificates of Occupancy be issued to the Developer, said individual or corporation shall be considered an Owner for the purposes of the enforcement of this covenant.
